MEMORANDUM FOR THE RECORD

SUBJECT: HAC Staffers Plashal and Davis - Counterterrorism
Center (CTC) Briefing, 3 April 1986

25X1 1. On 3 April at 1000 hours, Room H401, The Capitol, CTC
25X1 representatives [redacted] accompanied by Mr.
25X1 [redacted], met with staffers Plashal
and Davis. Following guidelines previously received from the HAC
25X1 staffers, [redacted] were prepared to brief Plashal and
Davis on a number of issues concerning the newly organized CTC.

25X1 2. Mr. Davis opened the meeting (Plashal was only present
during the last ten minutes of the meeting) by saying that the
reason he had asked for a meeting was to discuss a recent request

25X1 3. A very brief discussion followed concerning the CTC (which
is the topic we thought we were meeting to discuss), i.e.,
establishing a more efficient and effective data base and
appropriate staffing. Mr. Davis asked whether we could have an
"organizational paper" on the new CTC ready for review in
approximately four weeks. [redacted] said we would try, and would
welcome any guidance as to specific areas of interest by the
Committee.
